

### Homily Hints

#### The Big Question:

“In what ways can I find truth?”

#### Chapter Goals:

1. to understand that God reveals the truth, his Divine Revelation, to us through Scripture and Tradition
2. to trust that Scripture and Tradition can guide us in knowing how to live
3. to listen to God’s word in Scripture and follow the guidance of Tradition.

#### Homily Hints:

We live in a society today that is often fast-paced and over-stimulating. With information technology at our fingertips, a formidable challenge for people today is to get people to take time to listen.

In a conversation or discussion, give a student the opportunity to tell his or her story of faith. Encourage other students to listen. Youth respond to youth!

Taking the shared story as a starting point, you can explore how listening to the stories of our faith guides us in understanding our faith tradition—how we put the word into the action of belief. We must be attuned to these stories. In the handing down of the faith story, we see how each generation passes on the truth in its own words.
