

**Building Knowledge, Growing Strong Foundations**

# **NEW!** **Sadlier PreK™ with Wiley Blevins**

Discover Dr. Wiley Blevins's newest comprehensive early childhood program, developed exclusively for Sadlier, where rich language experiences and hands-on exploration come together in ten engaging units. The program builds essential skills in early literacy and math, develops knowledge across key content areas, and features a one-of-a-kind transition unit, *Getting Ready for Kindergarten*, so every child begins school confident and prepared.

## **Knowledge Building**

Build background knowledge across units that **spark curiosity** and **deepen understanding**.

## **Early Literacy Skills**

Lay a strong foundation in early literacy **through systematic, research-based instruction** aligned to the Science of Reading.

## **Early Math Skills**

Develop **number sense** and **problem-solving skills** through hands-on, age-appropriate activities.

## **Social Studies**

Introduce children to **family, community, and the world**, fostering awareness and civic understanding.

## **Science**

Encourage exploration and inquiry to **build foundational science concepts** and **critical thinking**.

## **Life Skills**

Support the whole child with **classroom routines** and **intentional instruction**.

## **Purposeful Play**

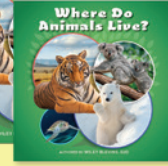

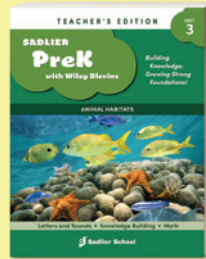

Explore unit concepts more deeply and support **hands-on learning** through **meaningful activities** across key areas.
